Safe Haven Program

Are you afraid or don't want to keep your baby?

Do you just want someone to give your baby to, keep it safe, and make sure your baby gets a good home?

Glendale's Planning Division is holding a neighborhood meeting to discuss a possible amendment in the zoning ordinance that would permit chickens in all of the city's single-family zoning districts.

Gathering community feedback is the first-step and input from residents is welcome and encouraged. The process after this meeting will include presentations to the Planning Commission and City Council. The zoning text amendment is being evaluated based on City Council direction following public requests to allow chickens in residential neighborhoods expressed during a workshop on Jan. 19, 2016.

Glendale Planning Division Neighborhood Meeting

Topic: Zoning Text Amendment to Permit Chickens

Wednesday, Aug. 17, 2016

6 p.m.

City Council Chambers

5850 W. Glendale Avenue

The proposed changes would allow the keeping of an unlimited number of chickens in all single family zoned areas with a zoning district of A-1, RR-90, RR-45, SR-30, SR-17, SR-12, R1-10, R1-8, R1-6 and R1-4.

Proposed Downtown Entertainment District

The Glendale City Council will be considering the adoption of a designated Entertainment District pertaining to the issuance of liquor licenses within downtown Glendale. In an effort to inform the Council's decision, the city is conducting extensive public outreach to gauge public opinion regarding the proposed creation of a district.

Currently, state law prohibits issuing certain types of liquor licenses within 300 feet of a church or a public or private school. However, state statute provides the opportunity for communities to designate a specific area as an Entertainment District, thereby allowing an exemption to the 300 foot rule. Several valley communities have adopted Entertainment Districts demonstrating that churches and schools can successfully co-exist with uses that require certain types of liquor licenses.

Downtown Glendale has long been recognized as a shopping, dining, and entertainment destination. From independent restaurants and unique shops to the city's signature festivals, downtown Glendale attracts thousands of visitors each year. The adoption of an

Glendale Joins Forces with Global Nonprofit "Partners in Action"

Glendale Community Center now an enrichment magnet offering after-school care and activities

The city of Glendale has awarded 30-year-old nonprofit, Partners in Action (PIA) the management of the Glendale Community Center to deliver after-school enrichment programs to neighborhood youth.

PIA assumed management of the Glendale Community Center, 5401 W. Ocotillo Rd., June 1, 2016 and immediately began rolling out summer programs and activities for youth along with the fall line-up of free programming for the upcoming school year. Not only will the center provide a safe and structured environment for local children, it will serve the community's working parents by providing quality after-school care. Programs such as sports, youth mentoring, homework assistance, reading, dance and even English as a second language classes for adults will be offered.

The Scottsdale-based international nonprofit operates orphanages and manages humanitarian projects in 30 countries around the world and is active within the Valley with multiple philanthropic organizations.

"Thanks to Partners in Action, the new programs at the Glendale Community Center are a great extension of positive community preservation," said Glendale Councilmember Jamie Aldama. "The children and families in the Ocotillo neighborhood have a place to go that is entirely focused on their growth, enrichment and safety."

Recently reopened with refreshed interior and exterior public areas, the center is now welcoming neighbors to take advantage of the recreational activities being offered throughout the summer, including games and arts and crafts. Regular community barbecues are being scheduled monthly to promote neighborhood gatherings and familiarize the community with the center's new management

"The Glendale Community Center is so much more than a place to go hang out," said Jerry Bowman, CEO, Partners In Action. "It's a place that will have lasting effects on kids' lives as they gain life skills, receive valuable adult support and mentorship, and find a safe haven and alternative from risky choices that often begin in those unsupervised after-school hours."

PIA is planning an open house at the beginning of the new 2016-17 school year to

introduce the neighborhood to the PIA directors and the new afterschool programming. In the fall, additional programming is expected to include Ambassadors of Compassion youth mentoring, a STEM program, field trips, nutritional programs, and for parents, financial literacy classes, and coaching and sports administration certification programs.

Programs will be operated and managed by expert third-party organizations Ambassadors of Compassion, which teaches leadership, character and responsibility, and PlayWorks, a California-based national nonprofit that supports learning and physical health by providing safe and inclusive play to low-income students.

The YMCA, which currently provides programs at the Center, will continue to offer classes. In addition to the programming, PIA is planning additional facility upgrades to accommodate its new activities.

About PIA

Based in Scottsdale, Arizona, Partners In Action (PIA) is a 30-year old nonprofit organization with a mission to provide hope and help to the world's most vulnerable populations-the poor and displaced. With a goal to clothe, feed and educate those most in despair, PIA's mission is to give hope and a future to hundreds of thousands of widows and orphans. Founded as a response to epidemics such as AIDS, malaria, hunger, malnutrition, and starvation, PIA is a vital part of over 82 causes in 31 countries around the world. Donations of bottled water needed! Glendale Fire Department is teaming up again this year with Visit Glendale to collect bottled water donations for distribution through Heat Relief Stations to the most vulnerable populations in the region to stay hydrated and healthy.

Donated water will be accepted 10 a.m.-5 p.m., Monday through Saturday, at the Glendale Visitor Center, Suite 140, 5800 W. Glenn Dr., and at all Glendale Fire Department stations.

Employees to lend a helping hand Glendale Parks employees have taken the Heat Relief Network humanitarian cause further by providing mobile hydration assistance for people needing water. On days that the National Weather Service issues an extreme heat advisory, Glendale Park Ranger and maintenance vehicles are loaded up with coolers filled with ice-downed water bottles to hand out to people in need when encountered in City parks.

Important tips to avoid heat-related illness:

- Increase fluid intake, regardless of activity level. Staying hydrated is extremely important. Limit exercise or outdoor activity between the hours of 11 a.m. and 3p.m.

- When outdoors, wear a sunscreen with a minimum SPF 15 and reapply often.

- Wear a hat, lightweight clothing and sunglasses.

- Rest frequently in shady or cool areas to give the body's temperature a chance to recover and cool down.

- Never leave infants, children or pets inside a parked vehicle.

- Check on elderly neighbors to make sure their air conditioning is working and in use.
- Take advantage of free air-conditioned spaces by visiting shopping malls, libraries, or other heat refuge locations.

Heat Relief and water bottle collection location maps are available at all Glendale libraries and community centers and online at <http://www.azmag.gov/heatrelief>. For additional information on regional heat relief efforts, please contact Celina Brun, Maricopa Association of Governments, at 602-254-6300 ex. 5130.

Tohono O'odham Nation Revenue Sharing

In 2002, Arizona voters passed Proposition 202 which allowed for the continuation of limited Indian gaming on tribal lands in Arizona. Under Prop. 202, Arizona tribes agreed to share a portion of their revenues with the State of Arizona. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose whose benefit is to the general public through either direct distribution to the local governments or in the form of a deposit to the State of Arizona's Commerce and

Economic Development Commission's Local Community Fund.

For its 2016 revenue sharing, the Tohono O'odham Nation has chosen to contribute directly to local governments. In addition, non-profit organizations may work with local governments to qualify for the funding available from the Nation. Therefore, the Tohono O'odham Nation is seeking Requests for Funding Proposals from Arizona cities, towns, counties, and non-profit organizations.

These proposals must address one or more of the following priority areas:

- a) Education
- b) Health Care
- c) Public Safety
- d) Child Advocacy
- e) Economic Development
- f) Cultural & Environmental Development and Protection

For information on proposal guidelines and how to deliver a proposal, please contact the Tohono O'odham Executive Office at 520-383-2028.

GLENDALE SEEKS INPUT ON PROGRAMS, RENTAL FEES AT LIBRARY, PARKS AND RECREATION FACILITIES

Glendale's Public Facilities, Recreation and Special Events Department is conducting a public open house meeting to gather community feedback on current fee policies and pricing structure for its programs, activities and facility rentals.

The study will evaluate public fees associated with special activities, sports leagues, and class offerings, in addition to park, ramada, and room or facility rentals at city parks, recreation centers and libraries.

Glendale Parks, Recreation and Library Fee Review Public Open House
5-7 p.m., Thursday, Sept. 1, 2016
Glendale Adult Center
5970 W. Brown St., Glendale

The Glendale Parks, Recreation and Library Fee Review is being conducted as part of the city's ongoing efforts to effectively deliver quality recreation and leisure opportunities to Glendale residents. The study will include a comparison of fees in neighboring jurisdictions, an assessment of market competitiveness and a forecasting of Glendale's future needs.

Study information, maps and exhibits will be available for comment and viewing during the meeting. Glendale Community Services Department staff, along with the Norris Design study consultant team will be available to answer questions.

Additional opportunities for public input, along with study information and updates, are available online at <http://www.glendaleaz.com/parksandrecreation/PRLFeeReview.cfm>.

Comment can also be submitted via an online questionnaire available on the study website or at www.surveymonkey.com/r/JC7TRZ8. For more information, contact Tim Barnard with the Parks and Recreation Division via phone at 623-930-3572 or email at tbarnard@glendaleaz.com.

Glendale's fourth annual "Stand Up for Veterans" will be held at Glendale Community College, 6000 W. Olive Ave., on Sat., Sept. 24, from 8 a.m. to 1 p.m. Nearly 1,000 veterans have attended the community outreach event in its three-year history to utilize the many resources available.

A local committee representing city, state and federal agencies, local businesses and non-profit partners has begun planning Glendale's Stand Up for Veterans which will provide opportunities for veterans to gain employment on the spot and access to a wide array of services. Organizers are now accepting business, non-profit and government agency vendor applications.

As many as 50 employers who are presently hiring will have representatives and interviewers at the event and many will hire veterans that very day. Advisors will also offer professional resume-building suggestions and other job search assistance.

"The whole purpose is to provide our veterans with a hand *up*, not a handout," said Glendale Mayor Jerry P. Weiers, who initiated the Glendale Stand Up event three years ago. "They can potentially walk into the event without a job and bogged down with legal issues, and they can walk out of the event gainfully employed with essentially a clean slate. That truly can change someone's life for the better."

Veterans will learn what higher educational opportunities are available through Glendale Community College, which offers a Veteran Services Center ranked eighth nationwide for Vet-friendly two-year colleges.

"Glendale Community College, one of the top nationally ranked veteran-friendly schools, is proud to be part of such an important event to support our veterans," said Dr. Teresa Leyba Ruiz, Interim GCC President. "It's not just about veterans, it's about their families too-all of those who have made sacrifices-and GCC is happy to be part of it."

One critical service on hand that day is access to court and legal services. Glendale City Court Presiding Judge Elizabeth Finn will be representing dozens of Arizona municipal courts where veterans with criminal cases may be able to satisfy outstanding court fines and fees by performing a community service work project. Veterans with active arrest warrants on criminal misdemeanors will have those warrants exonerated.

Judges from many additional Justice Courts in Maricopa County will also be present to offer similar opportunities to reduce or eliminate court fines through community service. Glendale's Community Services Department will provide transportation from Glendale Community College to historic Sahuaro Ranch Park, where the community beautification work service project will be offered.

Additional free legal services will include consultation with members of the State Bar of Arizona on all civil matters and with attorneys from the Maricopa County Public Defender's Office on felony matters. The City of Glendale Prosecutors Office will also be on hand. The Arizona Motor Vehicle Division will be present to advise veterans of requirements for reinstatement of their driving privileges and other MVD business.

"One of my most rewarding experiences is having someone come to the event with a suspended license which prevents them securing appropriate employment," said The Honorable Elizabeth Finn, Presiding Judge of Glendale City Court. "They complete community restitution benefiting the City of Glendale and leave with a valid license. This allows them to better provide for themselves and their families. We take pride in being able to provide all these services at Stand Up for Veterans," Judge Finn said.

Sandy Coor Veterans of Foreign Wars (VFW) Post 1433 in Glendale serves as the non-profit administrator of the event, working in partnership with the committee.

"The event is consistent with the VFW national mantra, 'No One Does More for Veterans,'" said Ed Besta, immediate past Commander of Post 1433 and chairman of Glendale's Stand Up for Veterans. "Our post has been an active supporter of veterans in the Glendale community since it was first chartered more than 90 years ago," Besta said.

Veterans can apply for health-care and other benefits through the U.S. Department of Veterans Affairs and social service agencies and non-profits will assist with family and personal matters. Although offering social assistance, Mayor Weiers emphasizes that this event differs from "Stand Down" events which provide needed supplies and services specifically to homeless veterans through the U.S. Department of Veterans Affairs.

"These are people who have served our country, and they deserve an opportunity to be given a second chance with the tools to succeed, so our goal is to reach them before they hit rock bottom," said Mayor Weiers. "If they attend our Stand Up event, hopefully they'll never need the services of a Stand Down event."

The Military & Veteran Affairs Committee of the Glendale Chamber of Commerce is actively promoting the event. Local businesses have committed in-kind and cash support for Glendale's Stand Up For Veterans. Republic Services provides complimentary lunch to all veterans in attendance. Additional business supporters have included Rolfs Salon and Credit Union West.

For more information or to become a vendor go to www.GlendaleStandUp.org.

Waterline Project Information

Thank you for your interest in the City of Glendale's waterline improvements project, currently taking place in the intersection of Olive Avenue and 59th Avenue. We'd like to provide an update on our progress . . .

Crews are currently working in the southbound lanes (west side) of 59th Avenue at the Olive Avenue intersection to install waterline from approximately 600 feet south of Olive Avenue to 200 feet north of Olive Avenue.

Next week, crews will continue this work in a northerly direction through the intersection. As this work will be conducted in segments, to maintain travel through the intersection, please be prepared for traffic control changes during the week to shift traffic away from the construction activity. Tentatively scheduled for early the week of August 1st, crews will prepare for and pave back the areas where trenching occurred to install the waterline in 59th Avenue.

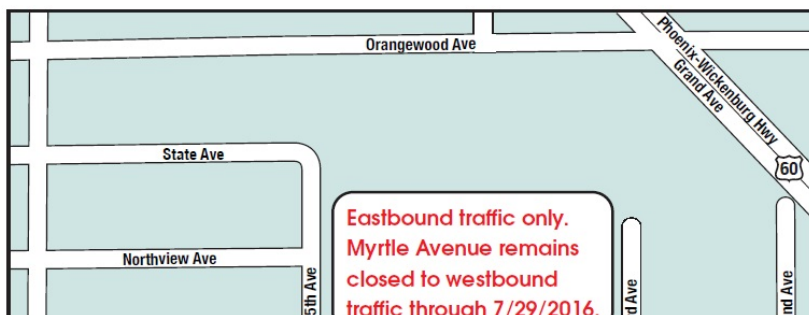

Tentatively scheduled to begin mid to late the week of August 1st, work will begin to install waterline in the eastbound lanes (SOUTH side) of Olive Avenue approximately 200 feet east and west of 59th Avenue, which should take about a week to complete. This work will be followed by installation of a waterline in the westbound lanes (north side) of Olive Avenue.

Olive Avenue and 59th Avenue will remain open for travel during this work; however, traffic will be shifted away from the work zone and more than likely restricted to one lane in the direction work is taking place. Based on the work activity, it is expected that some or all left turns will not be permitted at the intersection or near the work zone to protect travelers and construction crews. To assist in managing traffic at the intersection, a law enforcement officer will be on-site from approximately 6 a.m. to 7 p.m. weekdays; however, traffic control will remain in place even during non-work hours to protect the work area and for the safety of travelers.

You will be notified 48 hours in advance of any planned disruption to your water service. Business and resident access will be maintained. This work is tentatively scheduled to be completed in 6-8 weeks. Thank you for your continued patience during this work!

Please feel free to contact our [project hotline at 602.532.6250](tel:602.532.6250) should you have questions or need information related to the project.

Myrtle Avenue Improvements - Safe Routes to School Project

Myrtle Avenue, 65th to 63rd Avenues (Westbound Only)

Project Activity Update

Installation of concrete curb, gutter, sidewalk, and driveway entrances on the south side of Myrtle Avenue between 65th and 63rd avenues is nearly complete. Currently, crews are placing decomposed granite adjacent to the new sidewalk, grading the south side of the roadway and placing aggregate base material in preparation for installing asphalt pavement.

Asphalt Paving Scheduled

In late June or early July, the contractor will install asphalt on the south side of the roadway between 65th and 63rd avenues. During this time, there will be brief access restrictions as the paving operation moves across driveways. Once the asphalt installation is complete, crews will replace the speed humps.

Myrtle Avenue Closure

Myrtle Avenue remains closed to westbound traffic between 63rd and 65th avenues for roadway improvements.

Currently the contractor is maintaining eastbound traffic on the north side of Myrtle. Please watch for traffic control changes as eastbound traffic will be moved to the south side of the roadway for speed hump installation.

The contractor is providing access for residents, businesses, Glendale High School, school buses, Glendale Urban Shuttle (GUS) and emergency vehicles via eastbound Myrtle Avenue. Please allow extra time when traveling through the construction zone as there will be traffic delays. Glendale and 67th avenues may be used as an alternate route.

Westbound Myrtle Avenue will reopen by 6 p.m., Friday, July 29, 2016. If you have questions about access during the closure, please call the construction hotline at (602)

264-6416.

Thank you for your patience and cooperation during this improvement effort.

For More Information

If you have questions about the project or need special assistance, call the 24-hour construction hotline at (602) 264-6416.
